Cineposium Conference is a hallmark, annual event for the AFCI. It holds the distinction of being the only conference specifically focused on education for film commission professionals and industry executives from around the globe. It’s a unique opportunity to brainstorm solutions, learn, and seek answers to the challenges faced in an ever-evolving industry. The atmosphere is informative, collaborative and energetic - you don’t want to miss the chance to promote your Commission, company or service to the decision makers in the room.
